NOTICE TO UTILITY COMPANIES & TOWN DEPARTMENTS

SUBJECT: Proposed Street Construction 2017 thru 2021

(This list is subject to change contingent upon available funds; this is solely for planning purposes for utility companies only)

Listed below is our proposed five-year street construction list. We urge you to thoroughly investigate the condition of your specific utilities in these roads. If for any reason you are planning to upgrade, repair or add new utility services in these roads, please contact the Engineering Office as soon as possible.

Please be advised, once these roads are reconstructed, they will be subject to a strict 5-year road excavation moratorium. Please distribute this document to any applicants or permittees that may be served and/or affected by this notice.

Your prompt attention towards scheduling necessary work well in advance of pending work is paramount. Final construction notices are typically sent out 1-2 weeks prior to the roadwork begins. In the meantime, should you have any questions, please feel free to contact me.

Respectfully,

Harry Sylvester
Asst Projects Engineer
